TRIPS

The activities colour coded in **BLUE** are the TRIPS.

The programme will specify if this is a FREE BELL TRIP or a trip that you are able to book and pay for at the Activity Zone with our partner *Travelsights*.

The trips are a vital part of your experience at Bell and allow you to explore the UK beyond Cambridge. This is a great way to make friends, improve your language and knowledge of different parts of the country.

Each week we will take new students on a trip into Cambridge as part of your induction. This allows students to become familiar with the city, learn about the history and feel confident in navigating independently as a result.

Trips include:

- Oxford
- Fitzwilliam Museum in Cambridge
- Bath
- London
- Brighton
- Windsor
- York

SOCIAL

The activities colour coded in **PINK** are the SOCIAL activities.

These are designed to allow students to make friends and practice their English in a social and relaxed environment.

Typically, this is a chilled-out evening of conversation over a drink and nibbles at any one of Cambridge's 117 pubs!

CLUBS

The activities colour coded in **BLUE** are known as CLUBS.

These will take place at school.

The clubs are designed to offer students a wide range of different activities to try. These will encourage students to experience something new or perfect an existing hobby.

The clubs are the perfect place to improve your language in a relaxed environment while learning a new skill and making friends.

The Clubs include:

- TV club
- Movie club
- Debate club
- Baking club
- Drama club
- Card making

FREE TIME

This is colour coded on the programme in **GREEN**.

Come and speak to us at break time or lunch time each day in the Activity Zone. We are always available to give you tips to make the most of your time here in Cambridge.
