The trips are a vital part of your experience at Bell and allow you to explore the UK beyond Cambridge. This is a great way to make friends, improve your language and knowledge of different parts of the country.

Each week we will take new students on a trip into Cambridge as part of your induction. This allows students to become familiar with the city, learn about the history and feel confident in navigating independently as a result.

Trip locations include:

Plus, many more!

### SOCIALS

The activities colour coded in **PINK** are the SOCIAL activities.
