TRIPS

The activities colour coded in **BLUE** are the TRIPS.

The programme will specify if this is a **FREE BELL TRIP** or one you must pay for with one of our partner companies.

The trips are a vital part of your experience at Bell and allow you to explore the UK beyond Cambridge. This is a great way to make friends, improve your language and knowledge of different parts of the country.

Each week we will take new students on a trip into Cambridge as part of your induction. This allows students to become familiar with the city, learn about the history and feel confident in navigating independently as a result.

Trip locations include:

✓ London	College Tours
✓ Oxford	Punting
✓ Brighton	Bowling
✓ York	Museums

Plus, many more!

SOCIALS

The activities colour coded in **PINK** are the SOCIAL activities.

These are designed to allow students to make friends and practice their English in a social and relaxed environment.

Typically, this is a chilled-out evening of conversation over a drink and nibbles at any one of Cambridge's 117 pubs!

CLUBS

The activities colour coded in **BLUE** are known as CLUBS.

These will usually take place at school. The clubs are designed to offer students a wide range of different activities to try. These will encourage students to experience something new or perfect an existing hobby.
