

# Develop your practice

# Bell Teacher Academy

## Overview

Every summer, teachers from all over the world come to Cambridge to study with Bell, where we offer a range of one- and two-week development courses for any level, any interest, and at any time in their career.

Now delivered at the impressive Stephen Perse Foundation, you will enjoy a modern, contemporary study environment in the heart of Cambridge, with an international teacher community driven by high-quality education from experts in the field.

### At Bell Teacher Academy, you will:

- ▶ Share experiences and exchange best practice with teachers all over the world
- ▶ Experience British culture and explore Cambridge and London
- ▶ Develop professionally and learn from the experts at Bell
- ▶ Gain courses and points for your CV or resume
- ▶ Become part of a global teaching community committed

## Our approach

Each course is a fully-inclusive programme featuring a series of workshops and talks related to current thinking and trends in the sector, and a programme of social events for you to explore life and culture in the UK – outside of the classroom.

You can choose two additional workshops a week. The course also includes a weekly guest lecture.

Packages are available to suit your length of study and accommodation preferences:

### Package 1

Single room with private bathroom

### Package 2

Single or twin room with shared bathroom

### Package 3

Single room with private bathroom (self-catered)

If you are unsure of which courses you would like to take, our advisors are available to help you find the right course for you.

### All course packages include:
