

Language Development for English Teachers

2 weeks – hybrid delivery

Erasmus + funding available[^]

Whether you want to come to Cambridge for the full Bell Teacher Academy experience, or prefer to join us online from where you are, our hybrid approach is designed to work for you. By seamlessly connecting our on-campus participants with those joining online, hybrid tutoring at Bell allows participants from all over the world to work together and benefit from shared experience and knowledge.

On-campus (face-to-face) participants enjoy:

- 15 hours' course content per week
- 5.5 hours of workshops and talks per week
- A full social programme
- The sample face to face timetable can be found [here](#)

Online participants can choose to join:

- Course content only = 15 hours of synchronous lessons per week with on-campus participants
- Content + workshops & talks = 20.5 hours per week
- Workshops and talks only* = 5.5 hours per week
- The sample online timetable can be found [here](#)

[^]Erasmus + funding secured in 2019 or 2020 can be used for courses delivered in the UK in 2021. It cannot be used for online participation.

*please note workshops and talks will be on a wide variety of subjects with broad appeal to participants on all Bell Teacher Academy courses and are not specific to this course.

Course summary

This course helps English teachers improve their English for use inside and outside the classroom. Participants will develop their speaking and listening skills, expand their vocabulary, improve their language accuracy and become more confident users of English. Teachers will also gain useful new ideas for activities and tasks they can use in their own classrooms.

This course is for:

- Kindergarten, primary and secondary teachers of English who would like to update and improve their own English.
- Participants with a **pre-intermediate (A2) – intermediate (B1)** language level.
- Teachers who would like to be more confident using English in the classroom.

What you will gain by attending the course:

- the ability to confidently manage and teach lessons in English
- a greater range of vocabulary,
- improvements in your pronunciation
- development of speaking and listening skills
- more awareness of English grammar and ability to use it with greater accuracy and confidence
- greater understanding of a range of techniques and strategies for developing language awareness
- the chance to make professional contacts from other countries and cultures

Course content

This course will cover some or all of the following topics:

- Vocabulary development, e.g. common idioms, phrasal verbs
- Classroom language
- Listening and speaking skills development
- Pronunciation
- English grammar (work on specific tenses and other grammatical features to be determined according to participants' needs)
- Learning how to learn English
- Giving a short presentation in English
